

Nurminen Logistics Services Oy strengthens its terminal operations by acquiring Finnish ILP- Group Logistics Oy

Nurminen Logistics Services Oy Press release 1 November 2024 at 09.00 am

Nurminen Logistics Services Oy acquires ILP-Group Logistics Oy, which operates in Vantaa and Espoo. ILP-Group Logistics has operated since 1994 as a logistics company specializing in comprehensive warehousing services, sea, air, and road transport and forwarding. ILP-Group Logistics' revenue forecast for 2024 is EUR 4.5 million.

With the acquisition, Nurminen Logistics Services strengthens its terminal operations in Finland and expands its service offering to its customers.

"ILP-Group Logistics has been doing high-quality work in the industry for a long time, and they have the right expertise for our terminal operations. In addition, their customer base complements our Cargo business well," says Joonas Louho, Vice President, Cargo.

The acquisition aligns with the company's strategic goals and is part of Nurminen Logistics Service's continuous commitment to meeting customer needs and developing logistics services.

"Integrating ILP-Group Logistics into Nurminen Logistics Service strengthens our position in the market, and I believe that it will open up new opportunities in the future," says Joonas Louho.
