

Nurminen Logistics renews its organisation by merging its business operations – Changes in the management team

Nurminen Logistics Plc Stock Exchange Release 25 November 2024 at 1.00 pm

Nurminen Logistics' Cargo and Multimodal Forwarding businesses will be merged under the railway business, ending their independent reporting. In the future, Nurminen Logistics will focus more and more on comprehensive services. The aim is to improve operational efficiency and develop more comprehensive service concepts.

As a result of the change, management team member Joonas Louho, Vp Cargo Operations & Development, will leave the company to continue his career outside the company.

"I would like to warmly thank Joonas for his important contribution to Nurminen and the active development of the Cargo business. I wish Joonas all the best in his future duties," says CEO Olli Pohjanvirta.

The current members of Nurminen Logistics Plc's management team are:

- Olli Pohjanvirta, CEO
- Kai Simberg, Interim CFO
- Marjut Linnajärvi, VP Sales and Rail Services
- Toni Mäkelä, Managing Director, North Rail
- Suvi Kulmala, VP, Human Resources
