

# **North Rail Oy initiates change negotiations to ensure the company's competitiveness and improve the efficiency of its operations**

Nurminen Logistics Plc    Press release 23.4.2026

A subsidiary of Nurminen Logistics Plc, North Rail Oy, is initiating change negotiations with the aim of ensuring the company's competitiveness and investment capacity in a changing market environment.

The aim of the change negotiations is to reorganise the company's work so that the company's various functions can be performed as efficiently and profitably as possible. The measures may lead to redundancies, lay-offs or changes in job descriptions. The efficiency improvement measures are aimed at annual savings of approximately EUR 700,000.

The measures apply to the company's entire personnel.
